Dear Mr Walmsley,

We write further to your letter of 12 October regarding a request for personal data held by eBay in respect of your accounts.

Please note that as some of the accounts have been closed, the personal data associated with these accounts has been deleted. Accordingly, we will be unable to provide you with a copy of your personal data that eBay had processed in respect of these accounts. For clarity, the closed accounts affected are as follows:

- Jenna_stannis;
- Tel_varon;
- James_from_space;
- Curavon01; and
- Olag_gan.

In respect of the active vila_restor account we note that you initiated and completed a self-service subject access request (SAR) on 9 November. We should be grateful if you would confirm whether you still require this SAR to be repeated manually by eBay?

Please note that your requests for information regarding the treatment of sales totals and account flags used go beyond what eBay is required by applicable data protection laws to disclose, and as such eBay is unable to provide you with said information.

If you disagree with eBay's procedures or its decision in this case, you have the right to lodge a complaint with the Information Commissioner's Office, or to seek a judicial remedy.

Kind regards,

eBay Privacy Office
